TRANSFER OF THE PURCHASED ASSETS FREE AND CLEAR

3. Pursuant to sections 105(a), 363(b), 363(f), 365(b), and 365(f) of the Bankruptcy Code, and in accordance with the Purchase Agreement, (a) the assets that are being purchased by Purchaser pursuant to the terms and conditions of the Purchase Agreement (the “Purchased Assets”) shall (i) be transferred to Purchaser (and such transfers shall be legal, valid, and effective), and (ii) vest Purchaser with all right, title, and interest of Debtors in and to the Purchased Assets, and (b) the Purchased Assets shall be free and clear of all liens, claims, Encumbrances, and other interests of any kind or nature whatsoever, including, without limitation, rights or claims based on any taxes or successor or transferee liability, with all such liens, claims, Encumbrances, and other interests of any kind or nature whatsoever (including, without limitation, any and all liens, claims, Encumbrances, and other interests arising under or in connection with the Debtors’ pre- and post-petition financing facilities) to attach to the cash proceeds of the Sale (and not the Assumed Liabilities), in the order of their priority, with the same validity, force, and effect that they now have against the Purchased Assets (subject to any rights, claims, and defenses the Debtors or any parties in interest may possess with respect thereto). Absent such relief Purchaser would not have entered into the Purchase Agreement and would not consummate the transactions contemplated herein.

4. Except as expressly provided for in the Purchase Agreement or this Order, all persons and entities holding liens, claims, Encumbrances, and/or other interests of any kind or nature whatsoever, including, without limitation, rights or claims based on any taxes or successor or transferee liability, against or in Seller or the Purchased Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or noncontingent, senior or subordinated), arising

under or out of, in connection with, or in any way relating to, Seller, the Purchased Assets, the use or operation of the Purchased Assets prior to the Closing Date, Debtors' business or the transactions contemplated by the Purchase Agreement, including, without limitation, the Sale and the assumption and assignment of the Assumed Leases, are forever barred, estopped, and permanently enjoined from asserting against Purchaser, its successors and permitted assigns, its property and the Purchased Assets, such persons' or entities' liens, claims, Encumbrances, or other interests, including, without limitation, rights or claims based on any taxes or successor or transferee liability.

5. All persons and entities are prohibited and enjoined from taking any action to adversely affect or interfere with the ability of the Debtors to transfer the Purchased Assets to Purchaser in accordance with the Purchase Agreement and this Order.

6. Purchaser is hereby authorized to file, register, or otherwise record a certified copy of this Order, which shall constitute conclusive evidence of the release of all liens, claims, Encumbrances, and other interests of any kind or nature whatsoever in and against the Purchased Assets.

7. On the Closing Date, all persons or entities in possession of any of the Purchased Assets are directed to promptly surrender possession of such Purchased Assets to Purchaser. Seller agrees to exercise commercially reasonable efforts to assist the Purchaser in assuring that all persons or entities that are currently, or on the Closing Date may be, in possession of any Purchased Assets (or any portion thereof) surrender possession of such Purchased Assets to either (a) Seller before the Closing or (b) Purchaser after the Closing.

8. Following the Closing Date, none of the Debtors, their affiliates, or any creditor or holder of any lien, claim, Encumbrance, or other interest of any kind or nature whatsoever shall interfere with Purchaser's title to, or use and enjoyment of, the Purchased Assets, based on, or

related to, any such lien, claim, Encumbrance, or other interest, or based on any actions the Debtors may take in the above-captioned cases or otherwise.

9. Access Bank shall be paid directly the Purchase Price payment allocated to Access Bank pursuant to Section 3 of the Purchase Agreement. The Debtors, Access Bank, Sardor (Sam) Vakhidov (“Vakhidov”), Aaron McKeever (“McKeever”) and Live Well Enterprises, LLC (“Live Well”) have entered into a separate Agreement (“Claims Agreement”) which shall be effective only upon entry of this Order and closing of the Sale, pursuant to which Access Bank, Vakhidov, McKeever and Live Well shall withdraw or release their respective claims against the Debtors’ estates and the Debtors shall release any claims against Access Bank, Vakhidov, McKeever and Live Well and in addition, the Debtors shall convey and transfer to Access Bank the Vakhidov and McKeever Avoidance Actions (as defined in the Claims Agreement). A copy of the Claims Agreement is attached to this Order as Exhibit “A” and by this reference incorporated herein.

ASSUMPTION AND ASSIGNMENT OF THE ASSUMED LEASES

10. Except as otherwise expressly provided in the Purchase Agreement or this Order, upon the Closing Date, pursuant to the lease communications and sections 105(a), 363, and 365 of the Bankruptcy Code, Seller is authorized to assume each of the Assumed Leases free and clear of all liens, claims, Encumbrances, and other interests of any kind or nature whatsoever. Upon assignment to Purchaser, the Assumed Leases shall be valid and binding, in full force and effect, and enforceable by Purchaser in accordance with their respective terms. Purchaser has provided adequate assurance of future performance under any and all Contracts and Assumed Leases.

11. To the extent that there are Cure Amounts specified in the lease communications, the Cure Amounts shall be paid by Purchaser from the Purchase Price proceeds, as set forth in Section 3.1.6 of the Purchase Agreement.

12. The Assumed Leases shall remain in full force and effect, and no default shall exist under any of the Assumed Leases, nor shall there exist any event or condition which, with the passage of time or giving of notice, or both, would constitute such a default, notwithstanding any provision in the Assumed Leases or other restrictions prohibiting their assignment or transfer. To the extent that the Assumed Leases constitute unexpired leases under section 365 of the Bankruptcy Code, all requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtors of such Assumed Leases have been satisfied. Upon the Closing Date, in accordance with sections 363 and 365 of the Bankruptcy Code, (a) Purchaser shall be fully and irrevocably vested with all right, title, and interest of the applicable Debtor in and under the Assumed Leases, (b) Purchaser shall be deemed to be substituted for the applicable Debtor as a party to the applicable Assumed Leases, and (c) the applicable Debtor shall be relieved, pursuant to section 365(k) of the Bankruptcy Code, from any further liability under the Assumed Leases.

13. There shall be no right to payment, termination, modification, acceleration (including acceleration of any purchase option contained in any Assumed Lease) or cancellation, assignment fees, increases, or any other fees charged to the Debtors and/or Purchaser affiliated with each Assumed Lease as a result of the execution and delivery by Purchaser of the Purchase Agreement or any related documents, the consummation of the Sale, or the compliance by Purchaser with any provisions in the Purchase Agreement.

14. Any provision in any Assumed Lease that prohibits or conditions the assignment of such Assumed Lease or allows the counterparty to such Assumed Lease to impose any penalty, fee, rent increase, profit sharing arrangement, or other condition on renewal or extension, or to modify any term or condition upon the assignment of such Assumed Lease, constitutes an unenforceable anti-assignment provision that is void and of no force and effect in connection with the Sale.

Pursuant to sections 105(a), 363, and 365 of the Bankruptcy Code, all counterparties to the Assumed Leases are forever barred and permanently enjoined from raising or asserting against the Debtors and/or Purchaser any assignment fee, default, breach or claim of pecuniary loss, or condition to assignment, arising under or related to the Assumed Leases and existing as of and including the Closing Date, or under the Purchase Agreement or arising by reason of the consummation of the transactions contemplated by the APA, including, without limitation, the Sale and the assumption and assignment of the Assumed Leases.

15. Any and all contracts, leases, and agreements that are not Assumed Leases pursuant to the Purchase Agreement shall be deemed to be rejected, cancelled, and /or terminated effective as of the Closing Date.

NO SUCCESSOR OR TRANSFeree LIABILITY

16. Other than as expressly set forth in the Purchase Agreement, none of Purchaser, its present or contemplated members, partners, officers, directors or shareholders, its successors or permitted assigns, or any of the foregoing's respective affiliates, agents, officials, personnel, representatives, or advisors, shall have any liability for any claim assertable against the Debtors or their estates or related to the Purchased Assets. Purchaser shall not be deemed, as a result of any action taken in connection with the Purchase Agreement or any of the transactions or documents ancillary thereto or contemplated thereby, or in connection with the transfer of the Purchased Assets (a) to be a legal successor, or otherwise be deemed a successor to the Debtors, (b) to have, de facto or otherwise, merged with or into the Debtors, or (c) to be a mere continuation or substantial continuation of the Debtors or the enterprise of the Debtors. Without limiting the foregoing, Purchaser shall not have any successor, transferee, derivative, or vicarious liabilities of any kind or character for any claims, including, without limitation, under any theory of successor

or transferee liability, de facto merger or continuity, environmental, tax, labor and employment, products, or antitrust liability, whether known or unknown as of the Closing Date, now existing or hereafter arising, asserted or unasserted, fixed or contingent, liquidated or unliquidated.

17. Effective upon the Closing Date, all persons and entities are forever prohibited and enjoined from commencing or continuing in any manner any action or other proceeding, whether in law or equity, in any judicial, administrative, arbitral, or other proceeding, against Purchaser, its past, present, or contemplated members, partners, officers, directors or shareholders, or its successors or permitted assigns, or their respective assets, including, without limitation, the Purchased Assets, with respect to any claim against the Debtors.

18. Except for the Assumed Liabilities or as may be expressly provided for in the Purchase Agreement or this Order, Purchaser shall not have any obligation or responsibility for any liability of Seller or its estate arising under or related to the Purchased Assets or otherwise.

19. Without limiting the generality of the foregoing, none of Purchaser, its affiliates, its past, present or contemplated members, partners, officers, directors or shareholders, or the Purchased Assets, shall have any liability whatsoever with respect to, or be required to satisfy in any manner, whether at law or equity, or by payment, setoff, or otherwise, directly or indirectly, any liens, claims, Encumbrances, or other interests relating to any U.S. federal, state, or local income tax liabilities, including, without limitation, any such tax liabilities that are attributable to the recapture of an excess loss account under Treasury Regulation Section 1.1502-19 (or any similar provision of state or local tax law), that the Debtors are or may be obligated for or incur in connection with consummation of the transactions contemplated by the Purchase Agreement, including, without limitation, the Sale and the assumption and assignment of the Assumed Leases.

GOOD FAITH OF PURCHASER

20. The transactions contemplated by the Purchase Agreement, including, without limitation, the Sale and the assumption and assignment of the Assumed Leases, were undertaken by Purchaser without collusion and in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and were negotiated by the parties at arm's length, and accordingly, (a) may not be avoided under section 363(n) of the Bankruptcy Code, and further, (b) the reversal or modification on appeal of the authorization provided in this Order to consummate the transactions contemplated by the Purchase Agreement shall not affect the validity of such transactions, unless such authorization is duly stayed pending such appeal.

NO FRAUDULENT TRANSFER

21. The consideration (including the Purchase Price) provided by Purchaser for the Purchased Assets pursuant to the Purchase Agreement is (a) fair and reasonable, (b) is the highest and best offer for the Purchased Assets, (c) will provide a greater recovery for the Debtors' creditors and estates than would be provided by any other practical available alternative, and (d) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States and each state, territory, possession, and the District of Columbia.

RELATED RELIEF

22. Within two (2) business days following Closing, Debtors shall send Sysco Lincoln an authenticated demand to file a termination statement of Sysco Lincoln's UCC financing statement regarding Debtors pursuant to Neb. UCC § 9-513 if no such termination statement has been filed. Pursuant to Neb. UCC § 9-513, if, within twenty (20) days, Sysco Lincoln fails to

either terminate the filing or send a termination statement to Debtors that the Debtors can file, Debtors shall file a UCC-3 termination statement of the financing statement.

23. Debtors shall use the portion of the Purchase Price proceeds payable to Debtors in accordance with the terms of the Purchase Agreement (but not any proceeds payable to Access Bank) to pay any and all administrative claims owned or held by Debtors' trade vendors, including administrative expense claims arising under 11 U.S.C. § 503(b), whether or not such trade vendors have filed an administrative claim to date. Neither Purchaser nor Access Bank has any liability or obligation for payment of any such administrative claims.

24. No governmental (federal, state, and municipal) approvals are necessary to consummate the Sale.

25. Notwithstanding the possible applicability of Bankruptcy Rules 6004, 6006, 7062, 9014, or otherwise, the terms and conditions of this Order shall be immediately effective and enforceable upon its entry. Any party objecting to this Sale Order must exercise due diligence in filing an appeal and obtaining a stay prior to the Closing Date or risk its appeal being foreclosed as moot.

26. Purchaser shall not be required to seek or obtain relief from the automatic stay under section 362 of the Bankruptcy Code to (a) enforce any of its remedies under the Purchase Agreement or any other sale-related document, and (b) the extent necessary to implement the terms of the Purchase Agreement and this Order. The automatic stay imposed by section 362 of the Bankruptcy Code is modified solely to the extent necessary to implement the preceding sentence.

27. The terms and provisions of the Purchase Agreement and this Order shall be binding in all respects upon the Debtors, the estates, all creditors, all holders of equity interests in any of the Debtors, all holders of any Claims, all counterparties to each Assumed Lease, all interested parties

in the above-captioned bankruptcies and their respective successors and assigns, Purchaser and its successors and permitted assigns, and any trustees, if any subsequently appointed in any of the Debtors' chapter 11 cases or upon a conversion to chapter 7 under the Bankruptcy Code of any of the Debtors' cases.

28. No law of any state or other jurisdiction relating to bulk sales or similar laws shall apply in any way to the transactions contemplated by the Purchase Agreement, including, without limitation, the Sale and the assumption and assignment of the Assumed Leases, the Sale Motion, and this Order. As the assignment, transfer and/or sale of the Purchased Assets: (a) is in exchange for the Purchase Price, no withholding of U.S. federal income tax pursuant to Sections 1441 or 1442 of the Internal Revenue Code is required, and (b) constitutes a casual sale or occasional sale, it is exempt from Nebraska sales and use tax.

29. No order concerning the distribution of the Sale proceeds, no distribution of the Sale proceeds, and no allocation in connection with either of the foregoing shall affect or have an effect on (a) Purchaser's tax basis, allocation, or other tax position regarding the Purchased Assets, or (b) how Purchaser accounts for the Purchased Assets in financial statements, tax matters, or otherwise.

30. The failure to specifically include any particular provision of the Purchase Agreement in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Purchase Agreement and its exhibits and any ancillary documents be authorized and approved in their entirety.

31. The Purchase Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto and in accordance with the terms thereof, without further order of the Court; provided that any such modification, amendment, or supplement does not have a material adverse effect on the Debtors' estates nor

modifies the terms of the Purchase Agreement applicable to Access Bank, including the Purchase Price proceeds payable to Access Bank pursuant to the Purchase Agreement nor has a material adverse effect on the Agreement identified in Paragraph 9 above. Any such proposed modification, amendment, or supplement that does have a material adverse effect on the Debtors' estates or modifies the terms of the Purchase Agreement applicable to Access Bank or has a material adverse effect on the Agreement referenced in Paragraph 9 above shall be subject to further order of the Court, on five (5) days' prior notice.

32. Upon the closing of the Sale, this Order shall be construed as and shall constitute for any and all purposes a full and complete general assignment, conveyance, and transfer of all of the Purchased Assets and Assumed Leases, or a bill of sale transferring good and marketable title in and to the Purchased Assets and Leases, to Purchaser pursuant to the terms of the Purchase Agreement.

33. The provisions of this Order are non-severable and mutually dependent on each other.

34. This Court retains exclusive jurisdiction to enforce and implement the terms and provisions of this Order, the Purchase Agreement, all exhibits and ancillary documents, any amendments thereto, any waivers and consents thereunder, and each of the agreements executed in connection therewith, in all respects.
